

EXTRA CAPACITY BOX SCRAPER SERIES

Our line of large capacity box scrapers are designed to offer farms, ranches and animal producers a lower cost, maintenance free alternative to more expensive construction grade scrapers.

Ideal For:

- Corral Cleaning
- Horse Arenas
- Farm Road and Driveway Maintenance
- Hog Barn Cleaning
- Land Leveling

PHB SERIES

Our Poultry House Box Scraper is ideal for work around poultry and dairy operations, as well as, barn and feedlot cleaning and light land leveling. The PHB Series maximizes the amount of material capable of being moved. It is a low cost alternative to heavier construction grade scrapers. The PHB Series is constructed using 4" square tubing. The rolled moldboard keeps material flowing and reduces drag during operation. The heavy-duty cutting edge is reversible for many hours of operation (front only).

PHB96

CBS SERIES

This box scraper is perfect for general work around any farm. The CBS is also an excellent tool from small livestock needs to large commercial operations including land leveling, moving material and driveway maintenance. It is low maintenance and trouble free. Designed with a three point hitch mount for 35 - 120 horsepower tractors, this series comes in four widths to fit any need your operation might have. The CBS Series is constructed using 4" square tubing, 1/4" moldboard, and 3/8" end plates. The formed moldboard keeps material flowing and reduces drag during operation. Also, the heavy duty cutting edge is reversible for many hours of operation (front only).

WHEELED DRAG SCRAPER SERIES

This versatile hydraulic drag scraper makes maintenance of roads and driveways an easy task. Designed for 35 - 120 horsepower tractors, the hydraulic control allows for smooth land leveling for any project from farms and ranches to construction and general contracting. A hydraulic tilt option is available when road crowning and finer grading applications are required.

Ideal For:

- Road Building & Maintenance
- Heavy Duty Land Leveling
- Ditch & Levy Drainage Maintenance
- Construction Lot Preparation

*** Optional Light Kit Available ***
