

## PASTURE RENOVATORS

Tufline's Pasture Renovators are designed to cut, lift and separate root growth to reinvigorate pasture grass. They are designed for 40 to 120 horsepower tractors. They are built with a heavy duty 4" x 4" and 4" x 2" tube mainframes. The 17" coultter blades are mounted on an adjustable coultter arm. The 15" ripper shanks are mounted with shear bolts. The PRC/4 offers a Category 1 three point hitch. All other models offer a Category 2 hitch.

## **SPIKE HARROW**

Tufline's Spike Tooth Harrow covers all your needs including breaking material into finer pieces to smooth arenas, garden plots, fields and landscaping areas. This farm implement is so versatile that it also prepares nicer seed beds, encourages new growth, covers seed and spreads manure and fertilizer. It can also remove nest or mounds caused by gophers, ants and other pest.

### **SH SERIES**

- Designed for 30 to 60 horsepower tractors
- 6' & 7' 6" Models 5' Long
- Cat 1 Quick Hitch
- 6" Replaceable Spikes
- Spike angle adjustable
